CHALLENGER LEARNING CENTER OF ALASKA

Dear Parents,

We want to thank you for believing in CLCA's mission and sending your child to Challenger's Alaska and Bermuda STEM Academy! August 16 – 20, We look forward to having your child experience the excitement of connecting with students from another Country. We have some great things planned for this special program.

In this confirmation packet you will find all the information you need to set your camper up for a successful week. Please review all the enclosed documents with your camper to ensure they are set up with all the material and technology requirements needed beforehand. Make sure your camper is signing on 15 minutes before start of class. The time classes are for Alaskans will be 8am - 12pm. Classes for Bermudans are 1pm – 5pm. They will be together in the class. This is just to reflect the time difference.

Even more important after the past couple years, is the need to meet other people “face-to-face”. Virtual programs don't replace in-person but certainly opens doors to collaborations not possible before. We appreciate the time you are giving us to serve your child with a fun and engaging experience. We look forward to having your camper join us this August! If you have any questions between now and the start of camp, please don't hesitate to contact us.

Sincerely,
Colette Gilmour
Marketing/Program Director
