

School Information

Please answer the following questions:

1. Describe the student population that will be served through this program. Items to include in this description are the number of students, ethnic and cultural diversity, relevant test data, etc.

Number of students:

Male:

Female:

Please provide ethnic breakdown (necessary for grant reporting)

2. How does this program fit your overall curriculum? What do you expect students to gain from participating in a Mission or virtual program?
3. Has anyone at your school participated in a Mission or virtual program before? If so, teacher's name(s) and when?
4. Has your school received a scholarship to CLCA within the previous 5 years? If yes, please describe (i.e. amount, date, purpose):

Teacher/School District Responsibility

To participate in this program, part of the responsibility of the teacher will be to:

1. Prepare your students for the Mission. Pre-mission activities are available at our website: www.akchallenger.org click on schools & group tab, go to In-house missions button, find Mission Preparation Materials under specific mission. Scholarship recipients are required to fulfill pre and post assessments.

I have read and understand the responsibilities associated with participating in this program and have the support of my administrator.
